Other Important Information

Promotional Materials/Release Forms (Form 3)

Because of Special Love's exciting programs, we have had many individuals who wish to volunteer time, money and materials to our programs. To help us develop materials that describe the program--scrapbooks, videos, flyers, brochures, we often use pictures of camp activities. Your child may be included in one or more of these photos and we ask that you complete the enclosed permission form for potential use of your child(ren)'s photo. This will in no way disrupt the daily activities of camp. Your child will not be included without your permission.

Transportation

Special Love will arrange round-trip transportation to Camp Maria, located in Leonardtown, Maryland, from Bethesda, Maryland and from Norfolk, Richmond and Fredericksburg. Information regarding transportation will be forwarded later. **We ask that parents not visit during the week**. The reason for this request is that it has been proven that children adapt better to a camping situation (and experience less homesickness) if they are allowed to fully immerse themselves in the camp experience away from home and parents. We also ask that you provide complete information on the necessary forms so that we may be aware of any potential issues or challenges that may surface with your child(ren) during the week.

Form 2 - CODE OF CONDUCT

In a continuing effort to offer campers the best events possible with the most memorable outcomes, we feel several rules of camper behavior should be understood and agreed to by the camper and the parent/guardian before attending any Special Love event. Please note that while we don't expect problems, this Code of Conduct is simply a way to provide a safeguard for both you and us.

Please discuss with your child the following rules and the importance of adhering to them during their time as a camper at this Special Love program. Participants and parents/guardians must sign this form in order to participate.

Code of Conduct

1. For the safety and well-being of all participants, a complete and signed Health Form is required for participation in Special Love events. In addition, medications and medication forms must be turned in at the registration table upon arrival at the Special Love event (or when the camper boards the bus for camp). Failure to provide completed forms and necessary medications will result in your child's inability to board the bus for camp.

Medication Policy: All medications submitted at the bus boarding location or at camp registration **MUST** be in the **ORIGINAL CONTAINER WITH THE CAMPER'S NAME PRINTED ON THE BOTTLE**. (This includes over-the-counter medications.) Ziploc bags, other bottles, bottles printed with someone else's name, or any other type of container besides the original, **will not be accepted**. Actual dosage listed on the bottle **must** be followed unless there is a written note from the prescribing doctor outlining different indications. There can be no exceptions to this policy.

2. Each camper is to attend and be actively involved in all parts of the planned program including attending all scheduled functions. Curfew is to be followed as specified in the schedule for overnight events. Failure to be in assigned locations may lead to dismissal from the Special Love event. Some areas are off-limits to participants (e.g. swimming pool, lake, challenge course) unless under appropriate instructor supervision.
3. Participants should remain at the Special Love program until the program is scheduled to end. Participants may not leave a Special Love program without prior permission from Program Coordinator, or other adult in charge of the Special Love program. Participants may only be picked up from a Special Love program by the person designated on the Health Form. Identification may be requested at the time of pick-up.
4. Participants are expected to follow the directions of Special Love volunteers and paid staff. All participants are under the supervision of the Executive Director, Program Coordinator, or Volunteer Chair responsible for the Special Love Program.
5. Participants should respect the property of others and be responsible for themselves. Deliberate destruction or removal of facilities or equipment is not permitted. Financial responsibility for any damages caused by deliberate destruction will be assumed by the participant and/or parents/guardians. The same applies to the property and personal items of other participants. Theft is expressly forbidden at Special Love programs. Unless invited, participants are not allowed in rooms other than that to which they have been assigned.
6. Participants should treat all others and themselves with respect. Aggressive, abusive, vulgar, or violent language and behavior towards others (e.g. fighting, threats, insults, cursing, and discrimination) will not be tolerated.
7. Inappropriate displays of affection (e.g. kissing, cuddling, or other sexual innuendo) are not acceptable behavior while at a Special Love program.
8. Participants should respect the privacy of others. Girls are not permitted in boys' lodging rooms nor are boys permitted in girls' lodging rooms.

Please turn this page over and complete the rest of form 2.

Form 2 Cont.

9. Possession, distribution, or use of fireworks, weapons, knives, or other items that can be used as a weapon are not permitted at Special Love programs, except under adult supervision in scheduled instructional activities (e.g. shooting education class supervised by a certified instructor).
10. Possession, distribution, or use of alcoholic beverages, illegal drugs, tobacco products, vape pens, or unauthorized prescription drugs are not allowed at any Special Love sponsored program and must be reported to law enforcement. Special Love, Inc. reserves the right to conduct a search of a participant's outer clothing, luggage, personal belongings, lodging rooms, and furniture being used by a participant(s) if there is "reasonable suspicion" that the participant has drugs, alcohol, tobacco, or weapons.
11. Animals and pets are not allowed at Special Love programs unless needed to accommodate a disability or as part of an organized program, or through specific authorization from the Special Love office. Animals that are used as part of a Special Love event should always be provided with proper care.
12. Electronic and mechanical devices (e.g. cellular phones, pagers, walkie-talkies, video games, radios, CD players, TVs, or laptop computers) are not allowed at Special Love programs unless they are needed as part of an organized Special Love program, or with authorization from the Special Love office. Without authorization, these items will be confiscated and returned to the participant (or the participant's parents/guardians) at the end of the program.

Consequences

Unacceptable behavior during a Special Love program (as defined within this Code of Conduct or through a review process by a conference of adult leaders and program staff) will result in consequences to the participant. Consequences may include:

1. a warning and probationary period,
2. early release from the Special Love program without refund,
3. restitution or repayment of damages,
4. denial of future participation in any Special Love programs for one or more years (as determined by the Executive Director, Program Coordinator, or Volunteer Program Chair),
5. forfeiture of financial support for a Special Love program,
6. releasing the youth to the appropriate law enforcement agency and/or the proper authorities.

NOTE: Any conduct not specifically covered by this Code of Conduct, but deemed inappropriate by those responsible for the Special Love program will be viewed as a violation and appropriate action will be taken. If an infraction occurs, the person in charge of the Special Love program will provide appropriate communication to parents/guardians.
