Consider donating a **Silent Auction** item! Auction items range from sporting tickets and travel, to memorabilia, dinners and art.

Gala proceeds will support Special Love's mission of providing a community of support for children with cancer and their families through free camps and weekend programs, virtual programming, emergency financial assistance and educational scholarships.

For nearly 40 years Special Love has been there for children battling cancer, as well as their siblings and parents, by providing programming specifically to address their individual needs.

We are excited to once again host our Annual Gala in-person, and with the safety of all our guests, volunteers and staff in mind, will follow the most up-to-date guidance from the CDC.
